I am so sorry to hear this. Carrie carried that infectious Hicks laughter that made everybody smile and she always had a smile on her face. She truly was an icon. She will be missed terribly.

i dearly loved this woman. We worked together and had so much fun. She loved life everyday .Enjoyed it to the fullness until illness came along. She especially liked the Beach and spending time with her children and grandchildren. She had the most loving heart and loved the Lord with all her heart. I loved her so much and my heart hurts for the family!

Carrie was always wearing a smile, so much like GrandPaw Hicks..
Carrie was a very special lady who never had to tell you that Jesus was her Savior because she showed Him in her everyday walk.
Prayers for peace that only God can give, for comfort.
