“ Carlos was a friend that would put a smile on my face no matter what kind of day I had.  
I stopped many times at Chucks deli when I'd be driving by and see him waving, just to talk to him a minute. He was my next door neighbor for years and after we moved to our new home on Ungerhill he would stop by to bring my sons a fishing pole or some little something to say he missed us being his neighbor. My heart was so sad to hear that he was sick and now it's broken because I can't see or chat with him anymore. But He will live on in our hearts and never be forgotten.

“ It's been a long time since I saw Red, since I moved to Florida so many years ago, but, I do remember what a kind and polite fellow he was. I am praying for peace and comfort for his family and friends. Just know, he is in the arms of Jesus now!!

“ I knew him as Red, a friend and fellow boilermaker of my cousin Slim (Charles Park). Red and Slim were great NASCAR, and concert buddies - I was lucky enough to go to a couple of concerts with them. Red was so fun and good spirited - he was a joy to be around. You are missed Red.

“ Jamie and Travis, So sorry for your loss. Praying for comfort during this time of grieving and healing. We were friends since I moved here in 1973. He was always up, never seen him angry or down on anyone. He was a pleasure knowing and being around and hopefully I'll see him again one day.

“ Carlos was a dear friend of my late husband Jerry (Budweiser). They worked together as Boilermakers and this is how I came to know Red. After Jerry passed away Carlos went out of his way to keep in touch with me and my children. He didn't have too but that's the kind of guy Carlos was. Always there with a laugh and a comforting thought or anything else you might need. He will most certainly be missed. RIP

“ When we were in high school those of us with limited means (poor) had to take gym class. The rich kids were in the band. One of the things we had to do in gym was learn dance routines. Unbelievable today but the norm back then. We learned the Fox Trot, the Cha Cha, the Waltz, and others. Carlos was my dance partner. He was such a great dancer. He had all the other guys beat in that regard so he was my favorite dance partner. I am sorry I didn't get to see you before you got sick. You will always be my favorite dance partner.

“ What a fun- loving and kind man. He was one of my fellow Boilermaker friends. Always called him "hot pants". He was fire watch on a job at SNP and his pant leg caught on fire and he was signaling me across the room..trying to aggravate me not knowing his pant leg was on fire...lol...I looked at him and pointed at his leg and yelled "Fire!" No injury occurred. God love and keep him!

“ Carlos was a wonderful friend of my late husband, Jacky Goss. They grew up together and had lots of memories. I got to know Carlos through Jacky. He was funny and always had a story or joke to share. He was so good to me when Jacky passed away. He came to all of our Jack Goss Memorial Golf Tournaments and always made a donation. He was one of a kind and will be greatly missed! Prayers to his family.
