“ I am so thankful that I met Dean a few years back through her tennis activities. She and I were usually the first to arrive for a tennis match allowing me the opportunity to get to know her better. Each time I approached the tennis courts she was always there with a welcome smile. Rodger as you know your Mother was a wonderful person. She will be greatly missed.

“ Dean was always so happy and each time we went to visit her she made sure she had a meal ready for us. It was always so delicious. She was a wonderful aunt and will be greatly missed. Two weeks ago when I went to visit her I was standing in front of her and she told me “don't just stand there go get me some water”. She was a fighter. Love her
