“ I knew Robie as a child when he used to date my mom, Lorraine. I remember him as a very friendly man, a joy to be around, an excellent cook, always a gentle soul. I was able to connect with him once again a few years ago after coming across a saved card from him when going through some of my mother's things after she moved. It was as though we had been in touch all those years.. still the kind man I remembered. I am sad to learn of his passing yet I am certain he lived a full and loving life. Well done, sir. Fair and following seas.. Debbie

“ I had met Sterling a few times. He lived near to me. My deceased husband was friends with him, saw him at Watts Bar Dam & enjoyed his friendship. I am so sorry for your loss. Mrs. Roger { Gail } Adams of Ten Mile.

“ I met Sterling when I worked at Lowes....he brought me Hardee's biscuits and coffee a couple of times. He was a really sweet man. I told him many times he'd have to come and sit on our porch with us. I thought about him a few times lately and thought when the covid is gone we'll do it. I wish I would have called him....RIP Sterling....peace be with his family.
