“ The Farr Family is above and beyond what every family should be. They show unconditional love and affection and make everyone feel loved, appreciated and wanted in both despair and in times of joy. They are genuine and deserve all the admiration that we can give them. They live their life for cause, not applause. We want to share with you our deepest sympathy. Bo was/is a shining example of what every good man should strive to become. You will never know how enriched my life has become just because I met you. May the family find comfort, and Bo, thank you for opening your home and life to wayward souls. Our Father in Heaven is so very kind to have shared you with us. Love, Dana and Charlie
