“ My heart goes out to you, Oneda and Eleda, in this difficult time. Tony, like Daddy, was one of a kind...had a heart of gold and never met a stranger. When you used to visit Mama and Daddy's, oh what fun...the laughter never ended. What I remember most about Tony was his smile and laugh. After Mama and Daddy passed in '93 and '94, I moved away in 2001 and lost track of everyone. May God surround you with love and give you peace.

“ When I saw this picture of Tony, it made me smile. He sure was a fine fella. I can remember when daddy was having a surgery At Parkwest and he came and hung out the whole afternoon with me and Tami sharing story after story. He was with us when our mom passed always making sure we were okay at the receiving of friends supplying us with water. Hugs and prayers to the whole family. I know you will truly miss him. Take comfort in knowing he is with Jesus now..

“ Tony was a dear friend. We attended school together, I was a little ahead of him. We worked together @ TDOT, for many years. Any time I could assist him I was always ready. As he was to me. He will be missed. Another South Harriman friend gone, but will never be forgotten. RIP my dear friend, and school mate and by all means a true SOUTH HARRIMAN PIRATE.

“ I got to know Tony when he had his total knee replacement and I had him as a patient in home health care. He was always smiling and willing to do whatever he had to do to get better. He was the sweetest man with the sweetest smile on his face. I know Oneda will be lost without him. I'm praying for his family that God will give them comfort and peace that only he can give. I know Tony is resting in the arms of our Lord and savior now and he is all healed. In God we have hope in knowing that we will one day see our loved ones again. Rest in peace sweet Tony.

“ My heart aches and am sending prayers to you all. Tony was so loved and respected by so many. Our whole community and church family will miss him. Heaven has gained a great man! I wouldn't be surprise if he hasn't already connected with my brother Kenny and they are talking about plans for their next South Harriman Alumni Reunion for the growing group of loved alumni that are now home with them.....this reunion not at Riverfront Park or Roane State but at a heavenly location. Social distancing hugs to all of the family. Love you guys!!
