“ Every time I went back to Sweetwater to visit family and friends I loved visiting with Mrs. Mason. She was always so cheerful and smiling and interested in our family and how everyone was doing. She was amazing, keeping up with her interests and activities in her later years. During my growing-up years, she was the best neighbor ever! I visited with her last this past October when my husband and I came down to visit friends and family. She was cheerful and smiling, just as always. I will miss her. She was a wonderful person. I wish I could be there to tell you in person how sorry I am that we (her family and all who knew her) will no longer be able to talk with her on earth. And I wish I could give all your family big hugs. But I have to smile when I think of all the special conversations I have been privileged to have with Mrs. Mason over the years.

“ Lori, I'm sorry you lost your sweet mother. I have so many memories of her when I was spending the night with you. And, of course, the bridge club. On the days my mom hosted, I would walk in from school and your mom would be the first to greet me and ask about my day. Then in later years I would run into her at the grocery store. We would chat and she would keep me updated about you. I know you will miss her. Thinking about you. VALERIE

“ Once upon a time Adeline and I tried our hand at tennis. We even went to the Browder farm and took a few lessons; I was horrible at the game, but we had fun, and Adeline was a pleasure to be around. I will remember her with fondest. Please accept my condolences on her passing. Gale Inman
