PS

This is long after the fact, but I knew Cecil as a child. The Stameys lives across the street on Parkview Ave. in Penndel, PA. Diane was very small and Elizabeth was 'in the oven' when they moved back down south. I remember Cecil having the most magnificent huckleberry blue eyes. He was the nicest little boy, his parents were the kindest most loving people, not just one another, they loved everybody. I've thought of them often over the years and am grieved to learn of Cecil's demise. As a child, he wanted to grow up to be a Preacher. I'm sad, this June 11, 2022.
