"Mickey" Berrong was a good man and kind soul. We would often have discussions about our "adopted" students who we showed up to support emotionally and academically every day at our high school. The last day that I saw and hugged Mr. Berrong was at the end of the year banquet on May 25, 2023, where we all celebrated retirees and colleagues moving away. We all laughed and had a jovial time. His guidance colleagues circulated a surprise party invitation for him near the school's pool on May 31st. I could not attend the party due to doctor's orders to remain in bed recovering from flu like symptoms; however, our Principal sent me photos and a video recording on that day. I was shocked and saddened to hear the news of his passing away. Mr. Berrong was in Heaven on that day of his surprise pool party enjoying his colleagues, sunshine, and tons of smiles. Now, he is in Heaven with our Heavenly Father and the beautiful angels. He served his time on Earth doing God's work. He had an demeanor of peace and genuine concern for all. He will be missed and never forgotten. Rest in Peace, my dear friend. You truly made a difference!

“ Haaa dad Mickey Berrong I wrote this message with a lot of pain, after my father's death you had his place, you were my adoptive father you took care of me for more than 3 years and in silence you did everything that a father can do for his son paid for my university studies and my take care of me who am on the other side of the world and totally foreign to the never seen on this earth, and I arrive at the last year your shows my diploma that does not won't be possible anymore since you're gone 🥹🥹🥹🥹 I still haven't found words. You have helped me a lot in good advice and in more knowledge of Christ, I love you dad. I have so much to say to testify your deeds on earth. I could just say rest in peace next to the lord Jesus. But you will always remain in my heart forever. Knowing you was a blessing to me, I love you dad.
