“ I was so sorry to hear about Alberta's passing. I last saw her when she was in the Rockwood facility and she knew who I was. We chatted about the past and had some laughs. Toddy Wright , my sister, and Alberta were friends and Toddy is in the Wartburg facility with dementia. I will be sure to tell Toddy of Alberta's passing and I know she will be sad.

My prayers are that the Lord will give you comfort during this time. She will remain in my memory along with the times with RC and Mack.

“ Dear Parker family: Much love to all of you. I loved to see Alberta coming in the door at Kyker's to sign a memory book. She always checked to see if Shelbia & Liz had been by yet. To put it mildly, Alberta was a hoot! Know you will see her again in Heaven. It was my honor to serve during your time of loss when Mack passed away.
