“ *Alta and family,  
What moves through us is a silence, a quiet sadness, a longing for one more day, one more word, one more touch, we may not understand why you left this earth so soon, or why you left before we were ready to say good-bye, but little by little, we begin to remember not just that you died, but that you lived. And that your life gave us memories too beautiful to forget. Your family will be in my prayers. Love, Patricia*

“ Alf was a great man and will be deeply missed by many friends and family. I had the pleasure to work by his side for about 3 years and it seemed like a lifetime. It saddens me that he has left us but now he is in a better place at which we will see him again some day. We all now have a special guardian angel watching over all of us. My deepest sympathies go out to his wife and family and I wish them the best.

“ I am so sorry for your loss, Alf was a wonderful, yet caring man.. I worked with Alf @ Sea Ray, for 16 yrs. He always loved it when I made my cole salw for dinners. He actually just told my husband Jody, that it was the best that he had ever eaten, he just wish that he had a good hotdog to go with it. Alf was always cutting up and having some fun with us all. He will be dearly missed..

Lots of love and prayers.
