“ *Thank you for all you did for me as a child and young adult-- You always made sure I always had more than I needed,from school clothes to Christmas Gifts--Thank you for friendship to my Mom and your love for my whole family-- I know many friends and family will meet you at Heavens Gates so go rest high on that mountain--You are loved and will be truly missed---- Mike Webb Walls Mississippi*

“ *Alice was a second mother to us. She was with us at all of our family events because she was part of our family. Alice helped our family on so many levels. No one will ever understand how much I appreciated all she did and how much she will be missed. We will be praying for her family during this difficult time.*

“ Growing up, Alice was always part of our family. If you saw my mom more than likely Alice was with her. They were best friends. We loved Alice as our second mom. She loved and supported us through many hard years. She will always be in my memories as one of the kindest women God graced us with. My thoughts and prayers are with her family. God surely gained an angel.
