“ We have known Allen for many years, first as a customer that quickly turned into a treasured friendship with Allen, Dee and Alice (can't leave out Winston). He always had a smile on his face & kindness in his heart - what a truly wonderful man, it has been an honor to know him and call him our friend! We take great comfort in knowing Allen is with the Lord in a better place & no longer suffering. We will meet again! Our love & friendship goes out to Dee & Alice and all of the Fry family to whom we will always be available and proud to call them friends!

“ I will always remember Mr. Fry as a wonderful, funny person, always ready dish out a rough time to his friends. He sure gave me several barbs and laughs, and did not care if you gave him a rough time. He was a good man and will truly be missed. Dr. Johnson is saving the baseball bat for him. Lots of love to Deloris and family.
