“ Always remember my ride to work in 1965. I don,t recall paying her
a dime, I remember her getting milk and butter from my mother. I
remember you girls drinking only milk from my mother's cows. I am
sorry I could not be with you all as I am a truck driver now and get
home about 2 week or longer. I am at 865 621 3021

“ Aunt Allene ALWAYS had open arms, big hugs, and a great laugh....no matter if we saw her several times a year or once in several years. And she was ALWAYS SO PROUD of ALL her family...and always asked how we were no matter if she felt bad....A very loving aunt and I have many good memories of when we would visit when I was little. So thankful my husband Mike & I got to visit with her last fall and as I said before - she welcomed us both with open loving arms....Mary Jane & Sue - so sorry for the loss of your mama - it is hard to not have mom's in our lives - I miss my mama every single day...but hold on to your memories of your mama's smiles and hugs....and know that she is with God and happy again and in no pain and that she will always be smiling down on you. Eula, Loyd, Buford, and Virgil - she always beamed when she spoke of any of you - she was proud of her sissies and brothers... Our sympathy and prayers and love to all of the families of Allene.....our hearts are with yours, Connie and family

“ I remember so many good times growing up visiting with Aunt Allene and sweet daughters Mary Jane and Sue. Family reunions were a lot of fun with the big Sitzlar family. My dad and his parents, sisters and brothers were all so close, no matter how far apart they were. Listening to all the stories about how they grew up so close to my mother, Frances Galyon and her sister Tootie. Tootie recalled on the phone the other day of their homemade dresses with pretty buttons, and making mud pies. Allene always welcomed us in her and Uncle Bud's home with open arms, and saying "come over here and give your Aunt Allene a big hug and kiss, sitting on her lap until we were too big". She would give us money to go to the little country store and get a drink, if she didn't have any. Anyway, I could go on and on, but point is, we all loved her so much. Now any suffering is over, and they say there are no tears in heaven.

“ Dear Mary Jane and Sue, I am so sorry to hear about your mom. My heart goes out to you and your families, and to Aunt Eula and Uncles Buford, Loyd, and Virgil. Aunt Allene was always very good to me. I am really glad I had the chance to talk and laugh with her one last time not very long ago. She will be missed by all. Love,
Phyllis
