“ *I am so very sorry Randy, Connor and all the family over the passing of dear, sweet Amana. I loved her dearly and could always count on her to add a sunshine moment to English class. She was innocently naive, surprisingly humorous and a good student. I still have a little wooden doll she gave me for Christmas which highlights a short lady with a curly perm. I would say to her, "Amanda, look what you and other students have done to my hair," and we laughed. I will miss her but still have you to give a hug to Connor!!*

“ *Amanda & I went to the same church (Piney Baptist), as children, through our early teen years. She was never a stranger, she always spoke every time she saw any of us out in town, etc. My heartfelt condolences to her family and friends at this hard time.*
