September 25, 1980 - September 10, 2025

Amber Leigh Redman, has gone home to be with the Lord, on September 10, 2025. She was a talented hairstylist with a great sense of humor. She was deeply loved by all who knew her and will be greatly missed.

She leaves behind her two children, Caden and Chloe (Father of her children: Adam), who were the light of her life and whom she loved more than anything.

She is also survived by her parents, David and Beverly; her sister, Caitlin Ford (Brian); nephew Charles and niece Audrey; and her brother, Travis Redman (Denise). She also leaves behind many aunts, uncles, cousins, and beloved friends.

In lieu of flowers, the family requests that donations be made to either Providence Church (Caden and Chloe's Church) or Sacred Ground Hospice House.

“ I am so very sorry at hearing this. My heart hurts. She was as kind as they come, and lovely to the core.

“ I have a lot of great memories of Amber. Working with her in the salon years ago. Sleepovers with laughing until we couldn't breathe in her apartment in Knox. She was such a light, so funny and vivacious! Much love and prayers to her family, especially Caden and Chloe.

“ I lived with Amber and her family when I was a teenager and pregnant. This family took me in like I was their own. Such a good Christian family and I feel blessed having known them. Im in shock about Amber and I will be praying for her family

“ I am heartbroken to hear of Amber's passing. We spent a lot of time together as children, riding bikes and going for walks in our neighborhood, and just being goofy. She was a lot of fun to be around! I loved seeing her grow into a beautiful woman, and I know that she helped many other women feel beautiful, too. I was glad to keep in touch with her over the years and see pictures of her with her children who I know she loved dearly. It is much too soon to say goodbye to my beautiful friend. We do not grieve as those without hope, but we still grieve your precious life. May the Lord be near to the brokenhearted, especially Caden and Chloe.
