“ *Our prayers and heartfelt condolences go out to your family. Angela was an extraordinary woman who always made us laugh. Angela was a dear friend and we will always cherish the many memories we’ve made together.*

As Angela has traveled on to a place of no more pain and suffering ... she is still among us and we can feel her presence in the little things such as the wind blowing or a rose blooming.

We will miss our sweet friend ... and we look forward to seeing her again as God calls each of us home.
