“ *Gwen and family,  
I can hear her giggle and her laugh. I can see her jumping around  
and playing ball. And flirting full tilt with one of the guys there at the  
park while we were in session with the summer day program.  
She was a sweetie. Angela has joined the angel chior. I am sad.  
I have such truly fond memories of her.*

“ *Gwen & family,  
What a privilege to teach and coach you at Harriman High and then  
several years later come back and teach Angela at the Harriman  
Vocational Center. Her sweet personality and "love of life"  
ministered to those who were in her presence. Even though I lost  
contact over the years, I was blessed to have known her. I know  
that God will comfort you in the days ahead with the many  
wonderful memories of Angela. My prayers are with you and your  
family.

“ I met Angela in march of 2007. In that time she touched my heart with her kindness and strengh. You see we shared a problem of being able to visualize our families and this beautiful world and then watched it slowly disapear from our eyes. The strengh that she gave other people is unexplainable and she was a beautiful person inside and out . I never met your family but I have prayed for them for a year. I will greatly miss you Angela
