“ I have positive memories of Anita growing up. We used to have family get togethers at Donnie and Frances house and she was one of the youngest and was most kind hearted to everyone. As we grew up and rarely interacted it speaks volumes how her kindness impacted those around her and those she loved. Condolences to Della and Donna and all those that love her.

“ *My memory of Anita was when she was about 3 years old. I was visiting my uncle Donnie and aunt Frances and was 17 years old. Anita was a beautiful little girl with brown curls. Adorable! I loved staying with my uncle Donnie it was so fun over there! I played on a rope swing next door and hung around Della. I remember uncle Donnies big motorcycle and aunt Frances was so nice! Anita was very loved by them and had good parents. I'm sure she is in heaven with them now. I am a Christian and believe we are in the end times before the return of christ and look forward to heaven. Make sure your right with God and ready! I look forward to seeing you Anita!

“ *Anita was the sweetest person anyone could ever meet. She was just a joy to be around and she loved BIG! She spoke so fondly of her grandbabies and they were her world. I know this is such a big loss to everyone who had the privilege of knowing and meeting her. She was the sweetest co-worker at ORNL and we are all better knowing her.*

God Bless her kids and grandkids in this time. Prayers for all of the family.

My sincerest condolences,

“ *Anita was one of the most kind hearted people I have ever known. She always had a smile on her face and such a great attitude. She would be the first person to volunteer to help anyone with anything. She loved her family so much and talked about them often. Her passing will leave a big void in a lot of people's hearts, God is definitely the winner in this, he got such a special Angel.*

“ Anita was our admin for a while, and she was the absolute best. She gave 110% to everything she did, and was such a joy to be around. She loved volunteering at Second Harvest with us, even after she changed divisions and wasn't our admin anymore. She was a wonderful coworker and friend. We at ORNL are going to miss her.

Praying for you all, may God comfort your hearts in this tragic time.

“ I just wanted to say how sorry I am for the loss of Anita. She was always family to me, and such a comforting smiling face when i would see her in public- especially during my years at midtown elementary. In the years of my early childhood i can remember how excited i would for my dad to take me by Haley and Bradley’s house, not only to see them, but hug Anita. She ALWAYS gave the sweetest hugs. Our community will be forever changed in the absence of her contagious kindness. The world could have used more Anita’s. I know the pain is great, but find comfort in knowing this is only just see you later. Much love to all of you.
