“ Dearest Karen and Jill,

You probably won't remember me, but I had the privilege of working with both your mother and father on a part time basis during my last two years of high school back in the late 70's.

The influence that both of these lovely people had on my life at that age is profound - in fact immeasurable, actually. And although I just recently discovered your mother's passing, please know that my thoughts and prayers are with you both.

I've known a very few 'great' people in my lifetime.. over the years, so many person and business acquaintances... so many who've come and gone... but I mean it from the depth of my heart when I say that if EVER I knew a true and Great Lady.. it was Ann Lay.

It was the life she lived and the love she gave so freely that inspired me to seek this person called Jesus. It was because of the steadfast way she conducted herself that what she thought of me... was Important to me. I simply can't begin to tell what you what her influence early on in my life did for me.

I'm not really sure what good thing I ever did in life to deserve it, but even today I'm still very grateful that for whatever reason, the Lord allowed our paths to cross one day.

God's richest blessings to you both .. and thank you both for sharing these two wonderful people with the rest of us.

*With warmest possible regards,
Allan Miller*

“ Your mother Ann, your father Floyd, and you Karen and Jill had a tremendous Christian influence in my life which I always have on my heart. Thank you so much dear Sisters in Christ for having a part in my life. While I so praise the Lord that your mother was a Christian, I know it is still hard on you to have a loved one depart. I wish there were words that I could say that might comfort you in this time but my words are so finite. The only one that can provide what you need at this time is Jesus Christ through his Word. Sending love and prayers.....Scott

“ Dearest Cousins Jill and Karen and families,

So sorry to hear of Aunt Ann's passing. She was and is my favorite Aunt. I'll never forget her kindness and compassion. Each year as we would journey down from Illinois to visit relatives, I knew I could count on Aunt Ann making one of those heavenly white cakes with the cooked icing that was so sweet and delicious. Childhood memories could never be any better.

Keep her in your heart and she will be with you forever. I rejoice in the thought that she is with loved ones and our Lord Jesus Christ. One day I will be able to give her a big hug and thank her for all her kindness to me and my family. May Our Heavenly Father give you peace and strength during this time of loss.

Hugs, Wanda Jean

“ Karen, Jill, & Family,

I will always remember your mother as my Sunday school teacher growing up. I will also remember time spent w/ Karen at your house and your mother always being so nice to all of us when we were there. She was one of the most patient women I've ever met. I never heard her raise her voice to anyone and never heard her say an unkind word about anyone. She will be truly missed by those who knew her. I am deeply sorry for your loss. We are thinking of you.

“ Dear Jill and Karen

I am so sorry to learn of your mother's passing. Jill, do you remember when your mom used to keep me when we were little? I can remember her sending you...and I went with you...to someone's house close to your house to get buttermilk. At least I think I'm remembering it right. We played outside and had such a good time.

Your mom and dad were always so very nice to me.

Again...I am so very sorry.

“ Sister Jill, our heart aches with your heart...May The Good Lord give you and your family the strength that you all will need in the upcoming days. I know what it means to miss a mom. Sister Jill, we cannot imagine the joy and peace she is having now with her Lord and Savior and all her love ones that have gone on before her. I never had the honor to have known your mom; but when I look at you, I know that I have a vision of your mom and what a great mom that she was, because look at you. I am so glad that Joe and I have had the priviledge to have been able to call you both, Brother Rick & Sister Jill our Christian friends and family. You only have one mom and how great it is to know that one day you will see her again. Our prayer is that God's comfort and love will sustain you and that your memories will give you joy unspeakable.!!!
