“ *We were very sad to hear from Stephan that Anna Mae had passed away. We have continued to communicate with Anna Mae over the last 34 years from Australia.*

We are very thankful for the warm friendship and assistance that she and Howard extended to us as strangers and welcomed us into the local community during our stay in Tennessee in the 1970's. We will always have fond memories of the fun times we had together with her and Howard. Every Xmas we light up a ceramic Xmas tree that Anna Mae and Howard gave us and now all our friends ask us where that beautiful tree comes from. It will always remind us of them.

We pass on our condolences to all the family.

God Bless - Pearl, Paul, Lisa and Dean

“ *Martha and family,
I was sorry to hear of your mother's passing. She was such a wonderful part of my childhood. I remember those great days and our road trips. She would drive us to the movies, shopping, and even the fair in Knoxville. I am lucky to have had her in my life. I know you will miss her, but your memories will keep her near in your heart. I will call you later.*
