“ It is hard to believe Anne has left us and has gone on to Glory. I had not seen her in way too many years but i knew she was always there and she was Joe's mom. Anne and i started out together on this life journey right out of high school when we went to nurses school together and then we worked together many years at Harriman Hospital. And then low & behold she married my brother & then Joe came along so our lives have been intertwined for many years. And we had a lot of really good times and a lot of fun. I am going to think of her playing her guitar & singing and making her music up in Heaven. Her passing leaves a big empty place and she will be missed.. Love to you all.....

“ My prayers are with the family at this time. I knew Ann from Harriman Hospital many years ago. She was a wonderful nurse...at that time she was the day supervisor and I was the ER supervisor. We shared many cups of coffee before she left for Butte. I am so sorry to hear about her passing.
