“ Aunt Anna Lou I guess Jesus said it best in Matthew 5:4 “Blessed are those who mourn, for they shall be comforted”. I find comfort knowing you are no longer suffering anymore and that the Lord saw fit to end your pain. You are a sweet little lady that I enjoyed visiting as a child. I had so much fun at your house playing with your triplets when we would visit from Michigan. I bet you are having a great time in Heaven, please hug my grandparents for me..

“ Anne my sister that loved her family and loved to go to Gatlinburg, and see the sights--get lost on mountain roads, and have fun regardless of how tired she got, you are sadly missed, but only for a while. Enjoy the joys of the Lord, especially the "mansion" our Savior prepared for you. We know mom has you by the hand, and you're enjoying the grand reunion with the family.
