

Barbara Sue Baker

October 1, 1952 - August 29, 2025

Barbara Sue was by all means a warm spirit with an old soul. Not too many were her biggest fan, but that's the way she liked it. She would open her home and her kitchen to anyone who needed it. She would gladly give you a dry seat and a full belly and would be in no rush for you to leave. When she loved you, she loved you big, and her loyalty was unwavering. She loved to play classic, three chord country songs on the guitar and was dang good at it. Life of the party would be an understatement, with some of the parties being so fun, that she had to bring the horses from the barn into the kitchen to join in on the fun! Horses were a great passion for her, she knew a lot about them and had a natural gift with them. Her Italian roots were something she was extremely proud of and talked about it often. Her own mother's homemade bread was famous in the family. She loved each of her brothers and sisters dearly but said she was the cream of the crop. They all had a very special bond. She loved the Lord and had many many talks with Him. She got down on her knees and said her prayers every single night.

She was born October 1, 1952, to Thelma and Paul Baker and passed away on August 29, 2025, In addition to her parents, she is preceded in death by her brother and sister, Kathy and Paul.

Barbara is survived by her loving family, Rich, Steph, & Savannah Mays, & William Loux Shay, Caleb, Cainan, Gibson Curtis, Dawn Rayl, Donnie and Jessica Beal with Serenity Kurleman, Hunter and Brianna with Raelynn

“ *I was one of her biggest fans, I am one of the few who could never get the nack of the guitar. But I remember her patiently trying to teach when I was younger. I always loved seeing her when I would come home, to visit, I loved the rides we went on horseback, motorcycles and boats. I love you dearly Aunt Barb. And I am going to see you soon. Thank you for our talks about the Bible and the Lord. Love Paul Jr.*
