“ *The Michener family sends their love and blessings to the family of Barbara Carmen. She was such a friendly lady and neighbor. I enjoyed visiting with her and talking about quilting. Years ago I made a “blanket” from a parachute that I got from David Parrott, 1965 graduate of Harriman High School. Some years later my mom had a yard sale and she sold it to Barbara. I was unaware until a visit to Barbara and she showed me the parachute blanket. Such memories of sitting in her living room and chatting about whatever. She reminded me of the breakfast at Bradbury and she paid for the breakfast for my sister LauraLee and me. She also let me cut some flowers from her hydrangea bush to take home to my mom, Kay Michener. I’ll miss her so much!*
