“ Thought the world of your mom! Loved working with her. Was always a blessing to run into her when still lived in Crawfordsville, never forget her smile and the “care” in her voice!
Knowing most of you, I think you can say her and your dad did good!
God Bless

“ I have such fond memories of Barb from working with her at Alcoa and as a friend to Kim and Kenny. She was like a mom to me and I loved her. My heart goes out to all her family. May you find peace in knowing she and Johnny have been reunited. Love and hugs to all of you.
