“ I am so shocked to learn of Barrett's passing! I was his elementary Principal a Grassland Elementary. Barrett was a quiet student but impressed me with his thoughtfulness . He did something not many people do. He was a listener and a thinker. A couple of years back . He friended me on my Facebook page. I reached out to learn about his life but Barrett didn't respond. I hope in some small way I made a little difference. He made a difference in lives of others.Please know how sorry I am for your loss!
