“ I was doing yard sales in Kingston and accidentally came to Glenda and Bea's house hosting a yard sale. Bea was sitting in the carport with Glenda. It was so good to finally meet her as Glenda had talked about her all the time when I got the chance to see her. Deborah Carnes has kept me up with the family since I haven't seen Glenda due to her many many activities. We had a nice conversation that day and I will never forget her humor. She is no longer suffering as she is with the Lord! I also send Glenda my prayers and friendship.
