“ My oldest "sister"! After almost a month. it is still so difficult to believe you have left us. Thank you for helping me grow up by teaching me so many facts of life. I will always remember your happy laugh and "You're so silly!". I love you very much, Betty Lou and will miss having you in my life. I know Aunt Mildred and Uncle Wayne were so happy to see you!

“ When I was small I was the "little girl" in Aunt Betty's life. I will always remember the wonderful times we had. Rest now, Aunt Betty and know that we will see each other again.

“ Mom,
I love you so very much and will miss you more than words can say. My "only" comfort is knowing that you are in heaven and will spend eternity with the Lord and will see Papaw and Mamaw again. I am sure that we will be together again.

Love Steve and Louise.
