“ *Many sympathies to each of 'Nannie' Booth's family. Mrs. Booth was so gentle, kind & inconspicuous when I would see her at her store, many years ago. Similarly, she was so soft-speaking, but-out-spoken if she saw us 'first', while we all were all eating at Stoney's. Always smiling and kind. Such a blessing to have had the opportunity to have spent many nice moments with this wonderful and beautiful lady. May the grief's of this day, soon become the memories which let you smile with joys and happiness for all the contributions-&-effects she has made to your lives. Sincerely...*

“ I'm so sorry to hear about the loss of Mrs. Booth. I have lots of good memories with her in them. I especially loved eating her cooking- in particular her hoe cakes! I probably ate a thousand of those! She was the best cook and was always so kind, warm, and welcoming to me. My grandmothers had both passed when I knew her, so she was like a stand in grandmother to me during that time, and I'll be forever grateful for that. My condolences to the family, I'm so sorry for your loss. Thoughts and prayers, love and light to you all.
