“ *The Cummings and Bensey families were an anchor in Tennessee for my scattered Wheeler family. Decades of wonderful gatherings were generously hosted by them bringing all of us together. At one, we counted close to 30 people being fed, loved, and hugged at their Kingston home. Their love of life and church, their generosity, their kindness, was just a way of life for them both. My Aunt Bettys' patience, kindness, and love will always be remembered. Her quiet selflessness touched so many, and left them so much. She will be missed by us all. Rest in Peace.* ”
