“ *I have been raised with the saying "It's much better to give than to receive". You lived this better than anyone I know. You were always giving to everyone. Not just material things but your abundance amout of love. We will miss you but will see you again one day. Love you always.*

“ I was privileged to meet Betty Jo after working with her husband, Bobby for several years before he became ill. We shared talks of UT football and basketball. He and Betty Jo were devoted to each other and their family. She missed him terribly when he passed away and often stopped by my office with a UT gift and pictures of their grandchildren. She will be missed by many family and friends.
