“ Betty was one of the best "Moms" ever. Denise and I have been friends forever and Betty took me in as one of the kids from day one. People like Betty are one in a million and I thought of her as my second Mom. I will miss her so much. She would never let anyone down if you needed her and she was a wonderful grandmother to Jacob and Abby. I know she is up there still guiding her family in the right direction and Im sure they can feel her love and guidance as they go through their daily lives.

I just wanted to say how much I loved and respected Betty and will miss her so much. And I will always be there for the family.

“Denise, I just wanted to let you know that I am thinking about you and your family in this difficult time. The passing away of a loved one leaves a void that cannot be filled. I leave you with these ancient thoughts:

When a man knows God

"When a man knows God, he is free: his sorrows have an end, and birth and death are no more. When in inner union he is beyond the world of the body, then the third world, the world of the Spirit, is found, where the power of the All is, and man has all: for he is one with the ONE."
