“ *This photo of my friend Betty Lands O'Dell is so true to who she was. Her sweet expression here reminds me of how kind, gracious and loving she was as a Friend. We met in college and I have never forgotten her as she became a dear friend to me. I know we shall meet again someday in Heaven! She raised two beautiful and gracious daughters and dearly loved her Grandchildren!! She will be remembered for many years to come! God bless her family!*
