“ Steve and family,

*We are so very sorry to hear of your mothers passing. I know this is a very difficult time for you all. There is nothing quite like a mothers love. We hope that you will each lean on one another for support during the days ahead. Thinking of all the good memories that you've shared will help you through these trouble times ; no one can ever take that away from you. You know that our thought and prayers are with you and that if there is anything at all we can do for you, all you have to do is simply ask. Please know that your Mom is in a much better place, with our maker, and she is no longer in pain. You will meet again and rejoice.*

*With our love and condolences,  
Sandy and Dave*
