“ *Betty was the best grandmother that anyone could have asked for. She was a mother figure to me when mine was not present. She taught me so many things. She taught me how to cook, clean, and supported me while i was taking care of my sick father. her son. She was the best grandmother ever. I will always remember everything thing that she has done for me and my family. She will never be forgotten and always missed. I love you Granny!*

Love, BJ
