“ *Gary, Judy, and family: Wonderful tribute video of Aunt Billie - you make her proud. She always reminded me so much of Granny Branson that at times I wondered which of them I was seeing. She's with Uncle Guy, Chic, Grandma and Grandpa Plemons, and all of her brothers and sisters now - the last of her generation. Deepest sympathy and fond memories!*

“ Granny was one of a kind! This is about memories, I will never forget the time I was in the hospital when James Smart passed, it was a hard time for many, but Granny still found time to be by my side before I had a pretty serious surgery. She made them let her come back with me because I was so scared, and she stroked my hair and held my hand until I fell asleep, she made me feel safe and everything was going to be ok. Granny was always there when you needed her! I loved her very much! I can't help to think how happy she is right now! I also know that Pepaw and Chic were at Heavens gates to welcome her home! Oh, what a happy reunion! I love you Granny, you will be missed by many!
