“ Anna and family, I was so sorry last evening to learn of Bill's passing, he was such a good neighbor to me and the boys liked hearing him talk, he had some great stories. When I told Levi that Bill had passed his first words were "how is Anna doing" David asked about you also. I am thinking of you...Carla

“ I first met Bill when he was a door greeter at Madisonville Walmart and I was a customer. Now I have had the pleasure of being his co worker for the past year and a half. He always had a sense of humor and something funny to say. He will be missed.
