“ *I'm so sorry for your loss. I was blessed growing up living next to your Dad. He coached me in little league football and baseball. He was a great mentor and I looked up to him. I wished there was more men like him that young men and boys could look up to. I'm thankful for the memories of the times that I got to spend with him. May God bless you and be near you during this time. Love Always,

“ Just received word that Bill had passed. Breaks my heart to hear that. Bill has been a lifelong friend. We shared a lot of good times growing up. My prayer for the family is that God will give you the strength you need to get through this very, very difficult time in your life. Bill was a good man who will be sorely missed by a lot of people.
