“ I'm so truly sorry for your loss. There are so many hearts broke and at the same time this is a time for all family members to come together, not to be pushing no one out. This was not ment to happen to Bill but god has a purpose in life for us all. He was a loved man, especially by my mother Beverly.. He was her best friend and a great father figure to me. My daughter loved her papaw, she is going to miss him so..When they were together it was like two pea's in a pod. We are all going to miss him so much...Bill will always have a place in are hearts that we hold dear.

“ *Bill was the the Love of My Life for Seven years. He was my partner, my lover, my best friend. He was my daily companion off and on for the last seven years and he is a great guy. He was my all. He loved me til the end and I the same. I miss him so much. We could talk for hours. He loved his adopted granddaughter Chloe so ,much. He would spent hours at a time entertaining her. He could always make her giggle. Bill was a important part of our family that will be dearly missed. Thank God he is at people. Many loving memories and photos I have, and his love in my heart I will always cherish. Bill Shaffer - I Love You Always, Your Babydoll*
