“ Frank.....you know how much I loved Bobbie Ruth. She was such a mentor to me (that may explain a few things actually). One day I came into her classroom and said "wow....your hair looks great Bobbie Ruth" "Oh garshk (I still use this non word)...I just woke up and everything that was sticking out....I just cut off" that same conversation happened for three days! We made each other laugh...we both loved laughter....and she taught me how to work hard. I always smile when I think of Bobbie Ruth

“ I worked alongside Bobbie for about 10 years and treasured her dearly. She will be sorely missed. Bobbie had an iron will, a fierce fighting spirit, and a very deep compassion for her students. She was especially mindful of the students who had a hard time in their personal lives and championed them without their knowledge. I admired her very much and she will be sorely missed by her family and friends. To Frank, Karie, Kevin, Kenyon, Kellen, Kayla, Josh, Samantha, Laci, and other grandchildren, my heartfelt sympathy. None of you could do any wrong in her eyes and she loved you with every fiber of her being.

“ Ms. Mee, what can you say...she and Ms. Bailey were my favorite teachers at Harriman High School, class of 1981. As Bobby Q said, she was one of kind....I will miss her smiling face and quick wit. To the family, I know that she will be missed, but keep the memory of her front and center and hold on to each other now and always. My condolences to the entire family, but especially to Mr. Mee, Kevin and Kellen, my prayers are with you.

Love you all and May God give you comfort during this time.

“ Ms Bobbie was my teacher at South Harriman. She was very strict, but also as sweet as she was strict. A beautiful lady! I last saw her at HHS class reunion, thanks to her wonderful husband and family she was loved and cared for deeply. God Bless the Mee family, my sincere prayers go out to you now and the days to come.
