“ *dear Dot my heart goes out to you. I know what the loss of a child can do, just because they are grown does not make it easier to bear. I will pray that our Lord will and be with all of you and you will remember the Bobby that did not have pain but the Bobby that was fun and full of life. Bobby was a part of my family for a while and I loved him then and continued to have him in my heart all these years. I will never forget coming home and finding Bobby working on the brake drums of his Pinto on my kitchen table. I will always remember him with a smile on my face because he was just that kind of person, he could laugh with you and cry with you, he was just a good person. He will be missed. Oh, by the way he got that Pinto running.*

*God's blessing to you all Gale Inman*
