“ Kathy and Terry,

I am so sorry for your loss. Your dad was my favorite uncle. He made the best cornbread I have ever had.

I have many fond memories of the time spent with your family. Both of your parents had a positive attitude in the midst of some very difficult times. They have impacted my life.

My prayers are with you. May God give you the strength in the days ahead.

“ Bob was one of my favorite cousins, always enjoyed his stories, He always had a positive attitude even when things were going too well for him. I am sorry I hadn't talked to him a while. He used to call Burton and I when he too much okra or something from the garden. God bless you Kathy and Tara and Terry & Susie.
