“ Always a smile, always so giving and thoughtful, Bobby was my husband's cousin but we always joked that Bobby was my secret boyfriend! Bobby has faced several tough years in the terms of his health but if anyone ever truly grasped the love for God, life family and friends, it would be Bobby. I will truly miss his smile and his friendship. He is now in the company of family and friends where I know he can breathe, sing and shout without pain or struggle. Our love to his family.
