“ *Cathy, Shane, Daniel, and family, I am so sorry for your loss. I have such good memories of the times I spent with Shane, Nick, and Daniel when I stayed with you on summers and Saturdays. Remember when we used to act out those Monkees episodes over and over? You guys always made me laugh. I feel like The Monkees have lost a band member. I have you all in my thoughts and prayers.*

I also wanted to let you know that Shelley (Dawson) and her husband Lohan Presencer in England send their deepest regrets as well. Shelley babysat as well one summer when she and her parents came over to visit, and she thought a lot of you all as well. Nick will be missed, but he will not be forgotten.

*Love,
Barbara*

“ It breaks my heart that I was unable to come say goodbye to you and pay my respects to the family and your fiancé. You were one of my very first friends. The Lord has a new soldier in his army of angels and as much as we would all love to have you here, I am glad to know you will be looking out for each and every one of us. You will be missed. I love you old friend.

“ Nick was a heart throb even as a little boy! Whenever he was with my family, everyone always thought he was our little boy due to his coloring. He had the most beautiful smile and memorable laugh. There will always be a hole in our family without that smile, all the great hugs, laughs, jokes and stories, but the wonderful comfort is that he has gone on ahead of us and that one day we will see him again. I will miss him and am so thankful that I could be his Aunt Susan.
