“ *Please accept my condolences. I did not know Bryan, but was across the street when he collapsed. I am an RN and came to the scene after one of the workers at the resturant came looking for help. I was so sad to hear that he had passed away. Please know that I will never forget him and how this has changed my life . It truly makes you reevaluate your priorities and what you want to do with your time here on this earth. So as you struggle through this please take comfort in your love for him and his for you. May God be with you and give you peace. Kathy* ”
