“ I was shocked to hear of the Death of Louie vesser alone, but not Bridgett too!! I am soooo shocked! Louie was such a good guy! He had a heart for truely helping people in Life. I was just one of those people. I was very grateful for his help and espicially is friendship, as well. Bridgett was such a wonderful friend to me. I had no idea that cancer even entered her life, WOW!! Please know all my prayers are with Mrs gray and Family. I was just through Sweetwater back in March. I was on my way back from Vacation with my Girlfriend, and we stopped by the former Campus, and a Flood of memories came flooding back to me. Sandy and I were walking our dogs through the Campus and when we got back to the SUV , which was parked across from Sanford Gray's former house, someone called the police on us Lol LOL We both explained who we were and the Sweetwater police were very nice to us after that. My prayers are with louie and Bridgett forever. They both are greatly Missed All my LOVE to the Family, James Rogers Nashville, Tennessee

“ Bridgett was an Early Angel in my youn life! I cherished her tehn & her sweet memory now. From1957 -'62 she romped & played amidst us young cadets & I loved her like a favorite toy! While sadly just learning of her ,too early for us all trip, to Heaven I'm a happier man to have had her in my life. She was the embodiment of a wholesome love unmatched in her elegant innocence!.
