“ Dear Joe,
I have so many fond memories of your parents. Growing up, we were all so excited whenever Aunt Jewel and your father came for a visit. We loved them and it is so sad whenever someone dies. Our thoughts and prayers are with you all.
With love in Christ,
The Hall Family

“ Joe,
My thoughts and prayers are with you and your family. I can not think of a better son than you. Although I did not know your dad, he must have been quite a father too.
