

Bryan Allen

April 5, 1974 - October 4, 2024

On October 4, 2024, Bryan Allen did not get his moist ultimate wish to be a burden to someone. His passing was swift and with a full belly. While his friends and family are heartbroken, God must have needed him for some heavenly collecting task that only he could perform with the highest degree of head-shaking puns. He was met by his mother, Jean Russell Miller; his stepfather, Fred Miller; his father, Virmal Pistole; and a host of other loved ones.

He is survived by his loving wife, Kathy Allen; his fur children Miss Kitty, Little Bit, Smoky, Winston, Shyla, and Shadow; his adopted Mommas, Leslie and Peggy Hunt; his mother in law Martha Woody; his sister Teresa Pistole; his cousin, Jay Yeager; his sister and brother in law, Mary and Christopher Yance; his feral sister, Mary Clark; friend, Jay Galyon, and a host of friends and family. He will always be our companion in the blue box, and we know.

A casual receiving of friends will be October 9, 2024, from 5pm to 8pm at Kyker's Funeral Home in Harriman, TN. Geeky and nerdy attire is highly suggested. A celebration of life will be held at a later date. Kyker Funeral Home of Harriman is serving the Allen Family.
