“ Buffy was my best friend growing up. Her family live next door to my great granny Judd in Harriman Tennessee on Douglas Lane. We did everything together when we were little. We even made a fort to bury all the dead critters in that we found around our families property...when our parents found I t we got in trouble. I never in a million years would have thought to get the results when I Google my best friend Buffy Benae Waggle that I did tonight. I wish someone would have contacted me or slomething. The last time I saw her was in 1998 when I went to Harriman for my gramps funeral. I haven't talked to her since 2009...now I know why. I love you Buffy, and you were my very est friend, and I wish I didn't live so far away from you. Your best friend from your childhood, Jamie-Marisa Roxann Anderson from 12 Douglas Lane Harriman Tennessee.

“ Autumn and Family, I am so sorry for your loss. She was the greatest, and most special person I have ever come to know. I loved her and cared so deeply for her no words can truly say, and she was every bit of a great loving mother, friend to many an all. Always her for you Autumn if needed, and to family.
